

Congratulations on your upcoming marriage!

Before you register for Pre-Cana, please contact your parish priest first. After this, register for your Pre-Cana Retreat as soon as possible.

In order to register, download a Pre-Cana registration form available at www.dioceseofflaredo.org and fill it out completely. Please indicate the Pre-Cana you would like to attend on this form. Then, email it electronically to: mmiller@dioceseofflaredo.org. Please attach to this email your picture identifications (i.e. Driver's License, Military Identification Card or Passport) and a copy of your PayPal payment with your Pre-Cana registration.

Due to the current status of the COVID-19 Pandemic and following the Health Authorities recommendations, all the Retreats are offered virtually using Google Meet.

Once you register, you will be receiving your Goggle code together with a Pre-Cana Couples' Guide, and some worksheets a week before your Pre-Cana.
