MESSAGE FROM OUR PASTOR

Dear brothers and sisters in Christ,  
Does your celebration of the Eucharist ever transform you? Today we are presented with the story of what happened on the road to Emmaus. The disciples are simply journeying with Jesus, whom they do not recognize, talking about all that happened over the past days. They were quite bewildered as they did not know what to think about the empty tomb. Each year, we gather to celebrate the Resurrection and many of us wonder, what does it all mean? Jesus journeys with us every

moment of our lives, yet we often do not recognize him. When we gather each week, the word of God, the homily that is preached, and the Eucharist that is received all help us lift the veil that often hides the wonder, power, and presence of God. Will you be open today to being taught, led, and transformed by Christ? He is walking with us, eager to open our eyes so that we can see.

God bless you all,  
Fr. Juan Jose

Thank you to everyone who has participated in our 2023 Catholic Sharing Appeal campaign. The opportunity is still available at [www.dioceseoflaredo.org/csa](http://www.dioceseoflaredo.org/csa) or by texting "GIVE" to 956-305-2140. Pledge forms should also be available in the parish. Thank you!

**SECOND COLLECTION**

Next weekend we will take up the Catholic Home Missions Appeal. Today, nearly 40% of dioceses in the United States and its territories are unable to fund the essential pastoral work their communities need. Your support of this appeal helps them meet these faith formation and sacramental needs. Please prayerfully consider how you can support this appeal. More information can be found at [www.usccb.org/home-missions](http://www.usccb.org/home-missions).

**PROMISE TO PROTECT**

Did you know...The Catholic Church is deeply committed to protecting children from abuse and holding people accountable for inflicting such pain. In December 2021, the revised Book VI of the Code of Canon Law went into effect. This is the most recent of several documents that specifically address the issue of the abuse of children. Other documents include Vos estis lux mundi and Vademecum. These documents expand the acts which are considered abusive, clarify the manner in which the cases are processed, and hold people accountable for their action or inaction with regard to processing of a case. Of significant importance is attention given to the care of victim survivors and all who have been hared. Bishops in the US lead the way for these changes with the implementation of the Charter for the Protection of Children and Young People 20 years ago. Today every diocese and eparchy must have in place systems for tending to those who have been harmed, protecting those in our care and seeking restorative justice.
