MESSAGE FROM OUR PASTOR

Dear brothers and sisters in Christ,

In today’s readings we learn that those who choose to be baptized put themselves under the care of the Good Shepherd. In a mysterious way, Christ submits to suffering in order to heal his sheep. He is “the shepherd and guardian” of our souls. The task of a shepherd could mean the difference between life and death for the flock. Jesus presents himself both as the shepherd and the gate to the sheepfold. Both images express the commitment of the shepherd to lay down his life for the sheep. He guards the sheep by day and at night he lays across the gate to the sheepfold to guard against intruders. The mission of the shepherd and of Jesus is the same: that we might have abundant life.

God bless you all,
Fr. Juan Jose

PROMISE TO PROTECT

Did you know...The Catholic Church is deeply committed to protecting children from abuse and holding people accountable for inflicting such pain. In December 2021, the revised Book VI of the Code of Canon Law went into effect. This is the most recent of several documents that specifically address the issue of the abuse of children. Other documents include Vos estis lux mundi and Vademecum. These documents expand the acts which are considered abusive, clarify the manner in which the cases are processed, and hold people accountable for their action or inaction with regard to processing of a case. Of significant importance is attention given to the care of victim survivors and all who have been hared. Bishops in the US lead the way for these changes with the implementation of the Charter for the Protection of Children and Young People 20 years ago. Today every diocese and eparchy must have in place systems for tending to those who have been harmed, protecting those in our care and seeking restorative justice.
