TURNING POINTS

Our readings today describe turning points for those whom God has chosen. In Genesis, God calls Abram to leave his homeland, with the promise of forming a people in a new land. In the Gospel, the disciples see Jesus literally in a new light, the bright light of Jesus' transfiguration. They begin to see Jesus, and themselves, in a new way. These are times when God presents a new way forward, providing new purpose and energy. Our lives too have their own turning points, where God is working (usually in less spectacular fashion) to lead us into fuller maturity, and into deeper unity with God and others. The road ahead, as with Abram, Jesus, and the disciples, may be long and difficult. Lent can be a time when we reflect upon these turning points in our past, and consider how God may be stirring something new in us today.

THE SCRUTINIES

Next Sunday, if your parish is blessed with catechumens (now called "elect" during Lent) who are preparing for baptism at the Easter Vigil, you will likely celebrate with them the first of three scrutinies.

These are rites integral to final Lenten preparations made by the elect, and they are celebrated on three successive Sundays, starting with the Third Sunday of Lent. The Church tells us that the scrutinies are meant to uncover and heal all that is weak and sinful in the lives of the elect. During the week leading up to each celebration, the elect engage in prayerful preparation involving deep reflection on their own lives and the new life to which they are called. The rites themselves use a special form of intercessions specifically directed to the lives of the elect, and include a prayer of exorcism.

It is essential that these rites be celebrated in the midst of the community, so that the elect experience the support of the parish members on this profound journey of faith. But it is equally important that the parish members witness the growing faith of the elect so they may be inspired by it for their Lenten journey of reflection on their own baptism in preparation for Easter.

PUNTOS DE INFLEXIÓN

Nuestras lecturas de hoy describen puntos de inflexión para aquellos a quienes Dios ha elegido. En el Génesis, Dios llama a Abram para que abandone su tierra natal, con la promesa de formar un pueblo en una nueva tierra. En el Evangelio, los discípulos ven a Jesús literalmente bajo una nueva luz, la luz brillante de la transfiguración de Jesús. Empiezan a ver a Jesús, y a ellos mismos, de una manera nueva. Son momentos en los que Dios presenta un nuevo camino hacia adelante, proporcionando un nuevo propósito y energía. Nuestras vidas también tienen sus propios puntos de inflexión, en los que Dios trabaja (normalmente de forma menos espectacular) para llevarnos a una mayor madurez y a una unidad más profunda con Dios y con los demás. El camino que tenemos por delante, como el de Abram, Jesús y los discípulos, puede ser largo y difícil. La Cuaresma puede ser un tiempo en el que reflexionemos sobre estos puntos de inflexión en nuestro pasado, y consideremos cómo Dios puede estar suscitando algo nuevo en nosotros hoy.
