Dear Parents and Guardians,

We continue to offer our prayers and assistance to those impacted by Hurricane Harvey. We especially want to open the doors to our Catholic Schools in our Diocese to those students displaced from their Catholic and public schools in their home towns and Dioceses. Parents and Guardians who are interested in enrolling their child in our Catholic schools may contact the Catholic Schools office at 956-753-5208. We will take your information and refer you to a Catholic school closest to your current location. You may also contact any area Catholic school directly and school personnel will gladly assist you. **If needed, tuition assistance will be provided.** The following is a list of schools located in the Diocese of Laredo:
