GRANDPARENTS DAY

Today is National Grandparents Day!

Grandparents are cherished members of our family. They bring gifts of wisdom, experience, and love and share with us their life of faith. We thank God for their example and ask that he bless them with happiness and good health.

PRAYER FOR GRANDPARENTS

Lord God almighty, bless our grandparents with long life, happiness, and health. May they remain constant in your love and be living signs of your presence to their children and grandchildren. We ask this through Christ our Lord.

Amen

COLLECTION

As Catholics, we are called to cherish, defend, and protect those who are most vulnerable, from the beginning of life to its end, and at every point in between. During the month of October, the Church asks us to reflect more deeply on the dignity of every human life. I invite you to join forces and promote a culture of life.

Whether life lasts for a brief moment or for a hundred years, each of our lives is a good and perfect gift. At every stage and in every circumstance, we are held in existence by God's love. Our relationships on earth are meant to help us and others grow in perfect love. We are meant to depend on one another, serve each other in humility, and walk together in times of suffering.

Experiencing suffering-or watching another suffer-is one of the hardest human experiences. But we are not alone. Christ experienced suffering more deeply than we can comprehend, and our own suffering can be meaningful when we unite it with his.

The collection for Respect Human Life will be September 19-20, 2020.

Jesus is with us every step of the way, giving us the grace we need. God invites us to embrace the lives we have been given, for as long as they are given. Every life is worth living!

-Bishop James Tamayo

So many teachers, parents, and students are struggling right now to adjust to new methods in hopes of preventing the further spread of the coronavirus. And with so many unknowns about the virus, the schools are left uncertain on how to proceed. We continue to pray for our students, especially the Elementary this week. Next week we pray for the Jr High.

2 Back to School Prayers for the Elementary Students

Dear Lord, we pray for the elementary students and teachers going back to schools this next school year. We pray for their health and safety as classrooms and schools have been modified to allow for proper social distancing and hygiene. We pray for the janitorial staff and cafeteria workers, as well as the office staff who are essential employees at schools that are open; we pray that you would keep them safe and protected from the virus. Please protect the families of the students and teachers as they return home each day; please slow the spread of the virus so that it would not infect these families. Lord, we also pray for energy and rest for the students and teachers so that they would be able to plan their lessons and effectively teach all their students, also that the students would be able to learn and keep up with their lessons. We also pray for their spiritual growth, in Your name, Jesus. Amen.

Lord, we pray for the students who will be doing school virtually from home; we pray that they have the resources they need to do schoolwork at home. And we pray for their parents that they would be able to balance work and watch over their children as they try to be disciplined in live classroom time and the recorded lessons as well as any additional homework. We pray for the teachers who have to switch to online learning formats that they would be able to have the resources and technology training they need. Please give the teachers, students, and parents the patience they need for this new type of schooling that they could all work together to accomplish what needs to be done. We pray for kind reactions and gratitude for the work that is still able to be done. Amen.
